Figma MCP Server + Claude, Cursor, ChatGPT, Gemini, Midjourney, Adobe Firefly

Languages

Spanish (Native), English (Intermediate-B2)

PROFESSIONAL EXPERIENCE

Globant

Oct 2017 - Jul 2026

Senior Visual Designer / UX Designer

Design enterprise and consumer digital products for Fortune 500 companies across retail, media, sports, banking, and consumer goods, collaborating with Product Managers, Engineers, and stakeholders throughout the product lifecycle.

Selected Clients

Dick's Sporting Goods, PepsiCo, Sportian, DirectvGO, Warner Bros. Discovery, Banco de Corrientes, Hallmark Labs, Cable & Wireless

Key Contributions

- Led UX/UI design for a large-scale retail loyalty platform connecting Dick's Sporting Goods with Marriott Bonvoy across web and mobile.
- Designed and scaled PepsiCo's back-office Design System by creating foundations, semantic tokens, reusable components, and documentation.
- Designed end-to-end experiences for Sportian's One Venue platform, simplifying complex venue management workflows.
- Built and integrated OTT interfaces using the You.i Engine for Warner Bros. Discovery and DIRECTV GO.
- Presented design proposals directly to stakeholders while collaborating closely with developers and product managers.

Sancho BBDO

Nov 2013 - Oct 2017

Digital Creative / UX & Visual Designer

Worked as a Digital Creative and UX/UI Designer, creating digital experiences for leading national and global brands. My role combined creative thinking, user experience, and visual design to deliver websites, landing pages, digital campaigns, and interactive experiences, translating business goals into engaging digital experiences through UX, UI, and visual storytelling. I collaborated closely with creative directors, strategists, and developers, contributing to project definition, user flows, wireframes, client presentations, and art direction.

Selected Clients

Pepsi, Gatorade, Mountain Dew, Cheetos, El Tiempo, Sal de Frutas Lua

Aida Lowe SSP3

Feb 2013 - Nov 2013

Digital Designer

Specialized in designing landing pages, email marketing campaigns, and digital communication assets for a wide range of brands. Focused on creating visually engaging, conversion-driven experiences while maintaining brand consistency and collaborating with creative and marketing teams throughout the design process.

PlasticoLab

Feb 2011 - Jan 2013

Digital Designer / Motion Graphics Designer

Produced broadcast television commercials and motion graphics, participating in every stage of the production process from concept development and pre-production to production and post-production. During this time, I also began designing web interfaces, which sparked my transition from motion design into digital product and UX/UI design.
